Dear Parents/Guardians,

Welcome to another term for St Andrews Beavers. This term we have some exciting visits planned including the trip to Wild Britain (Saturday 26th September), the sikh temple and of course our Christmas party at Kids World.

Please see below the Parent rota. You will see that parents have only been asked to help once during the term. If you are unable to help on your scheduled day, please could you arrange to swap with another parent to ensure that the group is adequately covered? We hope that you will appreciate that when we take the boys out of the hut we may ask for more assistance so that we fulfil the safety requirements.
