## St Andrews Scouts

Dear Scout,

Here is the programme for next term, as Scouts you get out what you put in, so please feel free to suggest alternative activities or changes to the programme that you would like to see.

We will organise a patrol camp overnight at Bromham before half term and if there is sufficient interest – we will have a longer weekend camp in the second half, thoughts and ideas please.

We are a bit behind in getting some of your badges sorted; please remind me if you are waiting for something, or if you want to work towards anything in particular, look at the scout web site for ideas.

We are particularly keen to hear from those who would like to progress with the Chief Scout's Gold Award, Tim Wade has kindly offered his support with some badge work, so take this opportunity!
