Dear Parent

I hope you all have a good Easter and are already looking forward to the Summer. I have attached our very busy program for the Summer Term, which briefly outlines our activities and also some key District events. I would as normal ask that if you are down on the Parent Help Rota and are unable to make the date allocated to you, try to swap with someone else well in advance.

Please try to remember that all the leaders and helpers give their time on a voluntary basis and both need, expect and appreciate your support.

I look forward to seeing you all on the 3rd.
