

# Polhill Explorer Unit

Dear All

Summer Camp is always to focal point of any Scout Sections year and it is no different with Polhill Explorers.

This year we have chosen to go as far West as we can in the UK without falling off the edge...our destination this year will be Pembrokeshire in West Wales. The Pembrokeshire Coast line is one of the most varied and stunning in the UK and has had UK National Park status for many years, in order to ensure that its Natural Beauty is preserved for future generations.

The Focus of our Camp will be at a small camp site situated (literally) a stone's throw away from the sea. The site is completely walled and offers good protection from what can be a fiacre wind coming off of the sea.

During the camp it is our intension to take part in a number of activities that will both, test, excite and stretch the Explorers whilst providing them a safe environment with qualified instructors for all of the adventurous activities which will include:-

**Cliff Climbing, Coasteering, Surfing, Sea Kayaking, Sea Fishing, Zorbing, Archery, Rifle Shooting, and also we intend to do a Night Hike and Island Bivi.**

**The dates for the Camp will be:-  
Saturday 23<sup>rd</sup> July to Sunday 31<sup>st</sup> July 2011.**

**The Cost is estimated to be £250 which includes all Travel, Food, Activities and Camping Fees.**

**The Explorers will be given the opportunity before the event to do some fund raising.  
(All funds raised by the individual will come directly off of their camp fees.)**
